

Course Overview

This is a two-day, hands-on intensive workshop. Participants will learn compensatory hands-on techniques for tonic bite, slow oral transit, tongue thrust, and gag. The participants will practice over 50 specific intervention strategies for improving facial muscle function for eating and speech. Additional topics of discussion may include: goal writing, diet texture progression, tube to oral issues, adaptive mealtime utensils, oral hygiene issues, medication administration issues, oral function for individuals with trachs, facilitating improved articulation through oral motor techniques, research issues, videofluoroscopy issues for motorically involved individuals, and additional topics of importance as determined by the participants.

Course Objectives:

Upon completion Participants will be able to:

- 1) Demonstrate assessment battery for determining orofacial movement patterns using the Beckman protocol.
- 2) Demonstrate compensatory handling techniques.
- 3) Demonstrate oral motor interventions and treatment techniques.
- 4) Recognize how to screen for potential referral candidates.
- 5) Identify the results of the techniques discussed.

Preparation:

You will be working with the fragile tissues of the oral area; for safety reasons, therapeutic nail length is a must. Attendees are asked to bring a large handheld mirror. A DVD of a case study is welcomed for discussion.

Registration Fee

\$450 – Early Registration: Per person rate. 30 days or more in advance.

\$475 – Group Registration: Per person rate. Two (2) or more therapists from the same facility registering at the same time on the same check, money order, or credit card, less than 30 days in advance.

\$500 – Standard Registration: One (1) therapist registering less than 30 days in advance.

There is a \$30 processing fee for any cancellation 15 days or more prior to the conference date. No refunds will be given for cancellations within 14 days of the conference date. Registration may be moved to a future conference or another individual free of charge with a written request.

Location:

Elliot Hospital
One Elliot Way
Conference Center Ground Floor
Manchester, NH 03103

Hotel Accommodations:

Courtyard Manchester-Boston RA
700 Huse Road (603) 641-4900
Manchester, New Hampshire 03103
2 miles from airport
2.5 miles from conference site.

Airport:

Manchester-Boston Regional Airport
(MHT)
One Airport Road
Manchester, NH 03103
<http://www.flymanchester.com/>

Driving Directions:

Visit <http://www.elliotohospital.org/>

Parking:

Ample (free) parking available on hospital grounds.

Dining:

Huse Road is located off of South Willow Street - This is the main drag in Manchester and there are numerous places to eat and shop. The Mall of Manchester is a 5 minute walk from the Courtyard. Restaurants include Olive Garden, Longhorn, Fridays and many more.

For lunch the hospital's cafeteria provides good food at reasonable prices. There is also a Dunkin Donuts on the first floor of the hospital.

Attire:

Bring a sweater or light jacket just in case you find the conference room chilly. Wear comfortable shoes.

Helpful Tips:

You will be working with the fragile tissues of the oral area. For safety reasons, **therapeutic nail length is a must!**

A small free standing mirror or hand-held mirror is great for the hands-on exercises.
